

# CANDLE MAGIC

with **Andrea Wadsworth**

Candle magic ritual novenas and “setting lights” are all old forms of ritual magic that have roots reaching into ancient times. This old magic when used properly can produce powerful change in ones life.

Join me at the conjure shop for a one night hands on class class in candle magic. You will learn the basics of candle magic and a few of my special tricks too. Each participant will leave with their own personal piece of candle magic fully blessed and empowered with Spirit, herb and oil!
