# Shamans Journey

WEEKEND WORKSHOP Awaken into the Dreamtime...

The shamanic Journey is a method of direct revelation used by shamans and students of shamanic studies around the world. The shamanic Journey is used as a vehicle to enter the non-ordinary world or dreamtime. It is here that one encounters the 3 worlds, spirit guides, ancient healers, power animals, and the Gods/Goddesses that dream us into being. Join me for a profound weekend and learn the art and practice of shamanic Journeying.

You will:

- Learn to journey with ease
- Gain experience in the 3 worlds
- Work with power animals
- Cultivate relationship with spirit guides
- Connect with ancient teachers

Come with an open mind and heart and expect miracles!
