

# CRYSTAL HEALING CRYSTAL MAGIC

with **Andrea Wadsworth**

Since the time of the Ancient Ones, humans have worked with the healing and magical properties of gemstones and crystals. When laid directly on the body in patterns connected with the chakra system, gemstones and crystals

affect profound body-mind-spirit healings. These minerals, or “light stones” can also be used as talismans, amulets, meditation tools, and made into gemstone elixirs. Please join me in a group exploration and learn how to utilize this powerful healing modality for the benefit of yourself and others. This is the first in a series of workshops that will expand and deepen your working knowledge of crystal healing and magic. The workshop will take place over the course of two days.

**\$150** *Crystals and gemstones will be available for purchase provided by Mariel Ruth of Lightstones*
