

Creating Your Personal

Crystal & Gemstone Pharmacy

Humankind has always been attracted to the allure of the mineral kingdom. We have used crystals and gemstones as medicine, sacred objects, amulets, and signs of power. We continue to be drawn to their power, beauty, and healing properties even today.

Join me for a lively romp through the world of crystals, gemstones, and minerals. You will have hands on experience with many stones. We will spend the day covering all the aspect you need to know to start your own personal gemstone pharmacy. You will learn:

- The most important stones in any crystal pharmacy and how to use them
- Crystal, mineral, and gemstone relationships to the chakras
- Crystal Healing layout and healing process
- Higher octave stones
- How to shield and protect your energy with crystal and stone allies
- How to make your own gemstone remedies
- How to work with gemstone homeopathic remedies
- Master crystals and their uses
